

**ARMY CAREERS** 

# WEEKLY ROUND-UP

#### **BLYTHE BRIDGE HIGH SCHOOL & SIXTH FORM**

FEBRUARY 2022 - ISSUE 51

## THE GREAT SUCCESS OF CAREERS WEEK

What an amazing atmosphere there was at our careers fair on Friday. We were fortunate enough to welcome over 30 representatives from universities, colleges, apprenticeships, training providers and local employers to ensure that there was something for everyone. One of the best comments from a visitor was about how impressed they were with student engagement, questioning and listening. You really embraced the opportunity.

Well done to everyone involved in the organisation and thank you to all our partnerships in making this happen.

**BE THE BEST** 

Year 10 took part in a rotation of activities hosted by the army on Friday afternoon.

Students engaged in a range of activities and had an insight into the huge range of careers in the army

## > I

### WELCOME

Achievement points are awarded for positive behaviour in lessons but also to students who display our core values of pride, respect and kindness. The tutor groups in Year 7 have been set the additional challenge by Miss Fargher to try and get the highest total by half term and the winning form group will get a prize. All the groups have amassed over 13,000 points which is an amazing total so far. Things are very tight at the top with less than 100 points separating 7CFL, 7ERJ and 7PSH.

Perhaps our other Heads of Year would like to set a similar challenge for their teams?!

Mrs Johnson

#### ECO CONSCIOUS DESIGNERS

Students working with Stoke City Community Trust and Stoke City Inspires. finalised their Recyling Bin design this

group

Each group are working in competition with each other,

representing Stoke City at a

Project Development Day at

Anfield Stadium in Liverpool. The attached photo shows the different stages from drawing

the designs, to placing the

designs on a paper template of

the model, which the students

winning

the

will make next week.

FEASTED

Feasted are looking for young people who have a passion for food and drink who want to nurture their passion into a successful career. The hospitality industry is full of opportunities.

Health, nutrition, growing of food, developing products, marketing, becoming writers, scientists and so much more. www.feasted.co.uk/education

#### MATHEMATICIANS IN THE MAKING

Last week, maths students in 7EY1 and 8EY1 were selected to take part in the UKMT 25th Anniversary maths challenge. The 25th Anniversary Challenge is an online, 45-minute, multiple-choice challenge.

It encourages mathematical reasoning, precision of thought, and fluency in using basic mathematical techniques to solve interesting problems.

All students showed great resilience in tackling the problems and the results are in!

7EY1 top performers were Kallum D, Lola H and Dexter H. 8EY1 top performers were Will H, Jorja H, Archie G, Elijah C.

Congratulations to all students who took part!

#### YEAR 7 DATE FOR THE DIARY

Information regarding the Year 7 progress evening taking place virtually on Monday 7th February, and how to sign on our Schoolcloud virtual software, has been emailed out to Year 7 parents and carers (please check your junk folder).

If you have any queries regarding this important event please email Miss Fargher on k.fargher@bb-hs.co.uk

#### VALUABLE VOTE

Please can our wonderful students, parents, carers and school community help us win this fabulous prize? Here is the link for your valuable vote: https://creativeplayu k.com/win-anoutdoor-classroom/

In the Hot Seat

During a recent In the Hotseat Mrs Johnson, Mrs Kadri, Mr Goodwin and Mr Leese heard about passions for biomedical sciences, criminology, and languages, as well as a new hobby of rowing.

We were all especially impressed to hear that Beau was top of the leaderboard for achievement points in Year 7. Well done to you all, it was fabulous to spend time with you

#### YEAR 10 REVISION NEWSLETTER

Another month, another revision newsletter for our Year 10s.

This week, our students in Year 10 will be receiving the sixth edition of their revision newsletter. This month's edition focuses on science and how students can prepare for their exams in the subject.

The newsletter provides hints and tips for success in their science exams, as well as an overview of the units covered in each module; it also supports our students' learning beyond the classroom as we encourage proactive learners.

Students should use the support to inform their revision as the subject special editions are tailored towards the individual subjects: meaning students can have a clear focus for their revision.

As a reward for their engagement with the newsletter and showing their form tutor an example of their work, students will receive achievement points for outstanding efforts.

#### **E-SAFETY NEWSLETTER**

Our latest e-Safety newsletter is now available on our website for your perusal.

#### **DONATIONS FOR DRAMA**

Could anyone in our school community help our drama department for their next play with the following please?

Skirts - long ankle length, plain colour, elasticated waists

Shirts - white or pale blue. M - XL

Waistcoats - plain colour, not shiny, M - XL

Jackets - red or blue. Need to make them look military so we can put epaulettes and big brass buttons on.

Please feel free to contact Mrs Baines directly k.baines@bb-hs.co.uk
