

Music Tuition

Blythe Bridge High School & Sixth Form has a firm commitment to music and fully supports a range of opportunities to develop musical talents for all of our young people. Our school works in partnership with Entrust to deliver high quality, specialist instrumental teaching. A wide choice of instruments are available and Entrust supports this in providing students with high quality instruments to hire for a small annual charge.

If you would like further details about music tuition at any point during the year please email h.balewski@bb-hs.co.uk.
