

Sport Fixtures

I understand that dates and times for sport fixtures cannot be given at this stage but will be communicated verbally to students, who in turn are expected to pass the information to their parents/carers.

Transport: I understand that transport arrangements for each visit will be arranged nearer the time and my child understands the need to wear a seatbelt and to remain with their group/supervising member of staff.

Return to home: I understand that times of return are approximate and when events are outside of normal school hours I will collect my child or make suitable arrangements for their safe return home.
