Introduction

At Blythe Bridge High School & Sixth form we are very fortunate to have supportive and friendly parents/carers who recognise that educating children is a process that involves partnership between parents, teachers and the whole school community. As a partnership, our parents/carers understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

Purpose & Scope

The purpose of this policy is to provide a reminder to all parents, carers and visitors to our school about the expected conduct. This will help us to continue to flourish, progress and achieve in an atmosphere of mutual understanding.

Our School's Vision & Values

We aim to ensure that staff and students have positive attitudes to all learning experiences, and are self-respecting, generous and thoughtful members of the school community who believe in what we intend to achieve. Driven by values of pride, respect and kindness, our culture and ethos ensure that students build the habits of heart and mind that allow their learning to thrive through repeated and consistent practice. We want all stakeholders to create long lasting and effective partnerships and work relentlessly together to achieve success with a specific set of routines that everyone commits to implementing inside and outside the classroom.

This is underpinned by our school values of:

- *Pride*
- *Respect*
- *Kindness*

We expect our parents, carers and visitors to support and promote our school's vision and values and we ask you to:

1. Respect the caring ethos of our school and encourage your child to respect themselves, others and their environment.
2. Respect the judgments that the school make as professionals and understand that both teachers and parents need to work together for the benefit of their children.
3. Show respect towards staff when approaching the school to help resolve any issues of concern.
4. Be considerate when making requests for your child.
5. Demonstrate a positive attitude towards learning and lead by example to encourage children to complete homework tasks
6. Encourage children to view the world optimistically and to see the best in people.
7. Encourage children to 'have a go' and celebrate failure as the first step in learning.
8. Encourage children to demonstrate Christian Values.
9. Take responsibility for your child's learning in the home.
10. Ensure that your child is appropriately dressed for school, adhering to our school's uniform policy
11. Ensure that your child comes to school with the correct resources to facilitate their learning.

By working together and promoting our school's vision and values, both staff and parents can create the correct environment for our children to flourish and become well-rounded individuals.

Communication

At Blythe Bridge High School & Sixth form our staff are proud, respectful and kind, we expect all parents, carers and visitors to be the same in all forms of communication, including:
