

WEEKLY ROUND-UP

BLYTHE BRIDGE HIGH SCHOOL & SIXTH FORM

MARCH 2023- ISSUE 91

YEAR 8 CROSS CURRICULAR

Nearly 100 Year 8 students visited Crosby Beach, the Albert Docks and the Tate Modern Liverpool on Wednesday for their geography and art coasts topics. Students had a great day experiencing the various locations and having an opportunity to see first hand different types of erosion on Crosby Beach, the sand dunes there and also collect data using various methods for their geography topics. Overall a fantastic day out, the Year 8 students represented the school well. We were proud of them!

GIRLS NETBALL

This week the u15 girls netball team travelled across the city to take part in glow in the dark netball. The girls had a brilliant time and played some fantastic netball.

WELCOME

Around 100 of our Year 8 students took part in an educational visit this week. Students spent time on Crosby beach completing work for geography and art while developing their understanding of 'Another Place' by Sir Antony Gormley. They then visited either the Tate Modern or the National Maritime Museum. Staff and students have given really positive feedback regarding the trip and I am sure that it will become a regular feature on the school calendar. Thank you to everyone involved in organising the visit.

Mrs Johnson

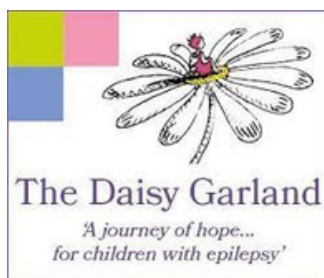

#PRIDERESPECTKINDNESS

STEM CLUB

STEM club have been working in the maths department this half term. They have been busy calculating proportions of faces and bodies; comparing them to the mathematical value of beauty phi- the golden ratio.

YEAR 8 FUNDRAISER

On Monday 27th Year 8 will be supporting their chosen charity, Daisy Garland. They will be wearing something

purple and during P4 they have been challenged to walk the distance of the UK as a year group, 1189 miles. Please remember to bring £1 donation.

YEAR 11 COUNTDOWN

How they grow! 7LP → 11LP.

The final countdown for our lovely Year 11 students...in the words of Mr Biggs, are you 'fired up, ready to go?'

CLASS OF 2023

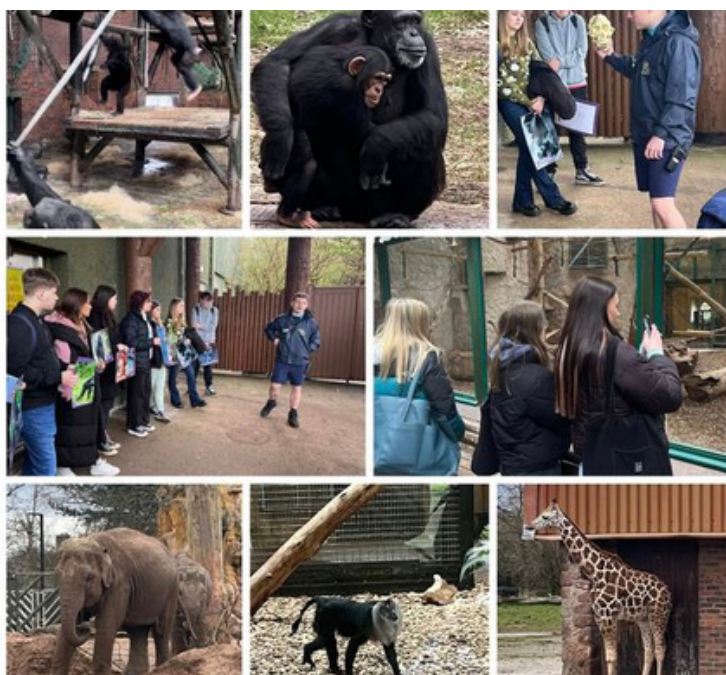

Reminder that the deadline for ordering the Year 11 yearbook and hoodie is the 21st April.

Any orders after this date unfortunately won't be able to be fulfilled. All items are available to purchase on ParentPay

SIXTH FORM ZOO VISIT

The sixth form social science students had an excellent day at Chester Zoo last week.

They took their learning outside of the classroom, applying their research method knowledge to carrying out observations of animals behaviour as well as attending a very informative workshop on primate behaviour and attachment.

DANCE UNIFORM

The new dance kit is ready for collection from the dance office.

Thank you to all those who have already collected.

JOB OPPORTUNITIES

Are you an ambitious teacher of Physics? Do you have a passion for pastoral care? We are looking to recruit for these two positions. Please see <https://www.bbhs.co.uk/vacancies/> for further details and how to apply.
