

WEEKLY ROUND-UP

BLYTHE BRIDGE HIGH SCHOOL & SIXTH FORM

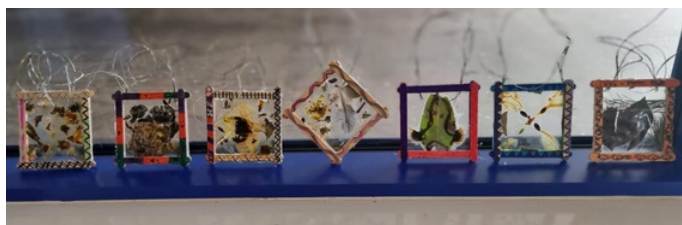

MAY 2023- ISSUE 94

THE KING'S CORONATION

To mark His Majesty The King's Coronation thousands of volunteers across the country are getting together to help out in their local community. On Tuesday 9th May over 40 Year 7 students will take part in a range of projects which include delivering seed pods to local residents, litter picking in the village and making bird boxes for a local residential home. Photos of the volunteering projects will be shared next week.

MINDFULNESS GROUPS

Our little mindfulness groups have been busy using their time in our eco-garden to create sun catchers!

How beautiful are these!

They explored and collected the content of their design from our garden space and showed great creativity and teamwork with their end results.

Well done everyone!

WELCOME

As part of our celebrations for the weekend, there has been a fabulous range of themed food served by Aspens at lunchtime. The menu included Coronation quiche, and a wonderful Victoria sponge. I know the students and staff appreciate the effort that staff have put in to the baking and decorations around the servery.

Whatever your plans for the weekend, enjoy the extra day and we will see you all in school on Tuesday.

Mrs Johnson

#PRIDERESPECTKINDNESS

CHOCOLATE BINGO

Our PRK committee have launched a new challenge for Year 7 & 8 students. The students with the top 50 highest number of achievement points from each year, collected between 24th April to 19th May, will be able to take part in Chocolate Bingo during period 4 on Friday 26th May. Regardless of how many points students have collected during the year they all have the opportunity to take part in the afternoon.

Good luck!

DUKE OF EDINGBURGH

All of our fabulous DofE students had a wonderful time last week. They've all did brilliantly and the whole trip was made better as the sun was shining! Many thanks to the equally fabulous staff who are took the time out of their weekend to be with them.

YEAR 11 EXAMS

A mature positive approach has been displayed by Year 11 students this week when they have been taking their Spanish and French speaking exams.

Well done Year 11 - a great start to the formal examination season.

Wonderful weekend email received by a Year 11 teacher...

"Miss, the practice paper you gave us yesterday - I've finished it!"

CREATIVE MISS BLISSETT

Our wonderful Miss Blissett has won the Young Person's Award in a national competition run by The Village Halls Podcast and sponsored by Allied Westminster. Her prize was £1,000 in funding for her local village hall in beautiful **Grindon**, which is nestled in the Staffordshire Moorlands **Peak District**. This award recognises the special contribution she has made to life in Grindon and the village hall. Over the last few years, her creative and brilliant talent has resulted in a range of wonderful projects and activities. Well done Miss Blissett!

NEW BOOKS DONATED

Head on over to the library to check out the new books we have to offer, which have been kindly donated. If you have any books that you would like to donate we would love to give them a new home!

Did you know that after a smallpox infection, Josiah Wedgwood's right leg had to be amputated or that he was a prominent abolitionist of slavery?

Find out more about the founder of Wedgwood pottery in this week's "Did you Know ...?" by clicking on the Latest News tab on FROG.

You will also be able to read last week's article about London Zoo and the work of the Zoological Society of London.
