**BLYTHE BRIDGE HIGH SCHOOL**  
& SIXTH FORM

## **Provider Access Procedure 2023-2024**

Approval and review Approved: 2<sup>nd</sup> November 2022

Next review: 1<sup>st</sup> September 2023

Signed: Mr John Boumford Chair of Governors

Mrs R Johnson Headteacher of School

## Introduction

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under section 42B of the education Act 1997.

---

## Blythe Bridge High School & Sixth Form Student Entitlement

### **Pupil entitlement**

Students in years 8-13 are entitled:

- To find out about technical educational qualifications and apprenticeship opportunities as part of a careers programme which provides information in the full range of education and training options available to them at each transition point
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and taster events

**To understand how to make applications for the full range of academic and technical courses. For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key phase' (year 8 to 9) and two encounters for pupils during the 'second key phase' (year 10 to 11). For pupils in the 'third key phase' (year 12 to 13), particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for pupils to attend.**

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider

(including the opportunity to meet staff and pupils from the provider)

- answer questions from pupils.

### **Meaningful provider encounters**

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the Making it meaningful checklist.

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

### **Previous providers**

In previous terms/years we have invited the following providers from the local area to speak to our pupils:

- Buxton & Leek College
- Reaseheath College
- Stoke-on-Trent College

## **Destinations of our pupils**

Last year our year 11 pupils moved to range of providers in the local area after school:

- Reaseheath College
- Stoke-on-Trent College
- City of Stoke-on-Trent Sixth Form College
- Newcastle College

Last year our year 13 pupils moved to range of providers in the local area after school:

- Keele University
- Staffordshire University
- University of Derby
- Goodwin's Engineering
- JCB

## Management of Provider Access Requests

### Procedure

A provider wishing to request access should contact Matthew Goodwin, Assistant Headteacher and Careers Leader, Tel: 01782 392519 Email: [m.goodwin@bb-hs.co.uk](mailto:m.goodwin@bb-hs.co.uk)

Resources can be sent to the following address:

Blythe Bridge High School & Sixth Form, Cheadle Road, Blythe Bridge, Stoke-on-Trent, ST119PW

## Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and pupils, as appropriate to the activity. The school will also make available any specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Meaningful online engagement is also an option and we are open to providers that are able to provide live online engagement with our pupils.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the school's main reception and the Careers Leader will ensure they are made available in our public careers space. The careers space is available to all pupils at lunch and break times.

## Complaints:

Any complaints with regards to provider access can be raised following the school complaints procedure or directly with The Careers & Enterprise Company via [provideraccess@careersandenterprise.co.uk](mailto:provideraccess@careersandenterprise.co.uk)
