

WEEKLY ROUND-UP

BLYTHE BRIDGE HIGH SCHOOL & SIXTH FORM

OCTOBER 2023 - ISSUE 107

MACMILLIAN COFFEE MORNING

Well done to the sixth form council for organising a MacMillan coffee morning last Friday. Thank you to everyone who contributed cakes.

We welcomed Year 11 students who joined the sixth form for coffee, tea and cake. By end of break we had already raised over £80.

YEAR 11 DRAMA

The drama studio was a hive of creativity earlier this week with the Year 11 GCSE Drama class all preparing for their devised drama pieces.

We had the lights out, sets were being made, cues decided on, sound effects used - an all round brilliant lesson.

WELCOME

Many thanks to the huge response we had to our first parent/carer monthly survey. We will follow up with necessary actions from the almost 200 responses and share these on our 'You said, We did' noticeboard in reception and through the newsletter.

Those parents who are willing to be part of a forum to discuss specific topics will be contacted directly.

STAGE MANAGERS

Introducing our stage managers Macy and Izzy who attend all rehearsals writing down key movements, props lists, starting and stopping the rehearsal tracks, taking registers - basically, being a great help.

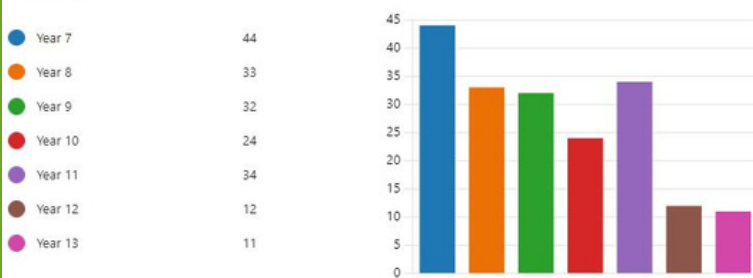

This week the cast have been working on choreographing Jolly Holiday led by Miss Housley.

Many thanks to the 183 parents who have completed the questionnaire already. Last Friday, the survey link was emailed out to the main contact for each child registered on our system, and the survey closes today.

TRAMPOLINE CLUB

An outstanding turn out to trampolining club this week with over 40 students attending. During the sessions students learned new skills or refined pre-learned skills.

CRAFT CLUB

Last week, many of our students joined the craft club and helped to sort out all the materials donated so they could work out what they wanted to start with. This week, they returned with ideas and got busy crafting away.
