

WEEKLY ROUND-UP

BLYTHE BRIDGE HIGH SCHOOL & SIXTH FORM

OCTOBER 2023 - ISSUE 109

YEAR 7 SKILLS CHAMPIONS

Our Year 7 skills champions stepped up to the challenge this week and presented a careers assembly to the rest Year 7 with Mr Goodwin. This was their first task in their new leadership roles and they represented the essential skills perfectly!

SIXTH FORM MUSEUM VISIT

Last week our sixth form students visited the National Football Museum in Manchester for the first ever BBC Academy Young Reporters event. Tom S, Arthur A and Elliott H got involved in some commentary, podcasting and social media workshops and also had the chance to listen to public speakers who told their respective stories in the sport industry.

WELCOME

Next week we host the second open evening of the term, this time for Year 11 students considering their options post-16 who are invited to attend our Sixth Form Open Evening.

We are fortunate to offer a wide range of A' levels and vocational courses and the evening will give students the opportunity to discuss courses with staff and current sixth form students. More details about the evening can be obtained by following the link on our website.

RESTOKE PROJECT

It was lovely to have Clare Reynolds from Restoke in school this week to discuss an exciting new creative arts project for our students to be involved with.

We were very grateful to Clare for also observing the GCSE Dance set phrases from our Year 11 students. Clare provided feedback on the performances, in preparation for the practical exam on Thursday.

QUIZ & CHIPS

You are invited to be a part of Blythe Bridge High Schools...

QUIZ & CHIPS

- 6:30pm in the Main Hall on Friday 10th of November for a night full of fun!
- £5 per person and a maximum of 5 people per team. Tickets can be purchased from the main office.
- There will also be bingo, raffles and of course, chips!
- (All money raised will be split between the volunteers who are currently raising money for their trip to Kenya in 2025.)

Our team of Year 9 students fundraising for their African Adventures trip to Kenya are hosting a Quiz & Chips evening on 10th November. Tickets are available from reception. Many thanks in advance for your support.

ECO GARDEN

Our eco-garden after school club is still increasing in popularity. This week, our budding gardeners learnt how to build their own mini fence panel, using materials at hand. A job well done team!

JOIN OUR TEAM

We have two opportunities which may be of interest to our school community and beyond:

- teaching assistant, with a focus on maths
- lunchtime supervisor

U15'S NETBALL

Last week our team took part in the U15's City Netball Festival. They played five local schools including Excel Academy, St Thomas More, Haywood Academy and Thistley Hough Academy.

We won 2 games, drew 1 and lost 2 with our biggest score line being 9-0!

Our students demonstrated outstanding sportsmanship and were a credit to our school.

YEAR 10 FOOTBALL

On Monday the Year 10 football team travelled to Sir Graham Balfour to play in the first round of the county cup. They put in a solid performance to come away with a deserved 1-0 victory.

Had it not been for some wasteful finishing, the score line could have been more comfortable. Goal scorer: Seth E. POM: Cal J.

YEAR 7 PE LESSON

Last week in PE four students in 7C6A took on the role of a football coach.

They created drills to practise different skills and motivated their participants to stretch and challenge their own ability.

Our coaches demonstrated outstanding leadership and communication skills when leading their groups. Our participants showed great teamwork and positivity when practicing their skills. Well done!
