Stoke & Staffs Local Labour Market Information

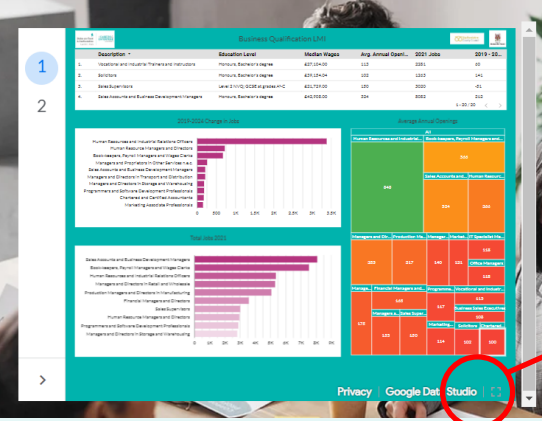

[Click here to access LMI](#)

The Stoke and Staffs Local LMI resource shows data for the last 3 years and forecasts for the next 2 years for the Stoke and Staffordshire area.

Reports are organised into 17 post-16 course areas to allow you to compare young people's prospects in all areas of the economy.

Business

Each course area includes a report with two pages. Page 1 is an interactive slide allowing you to explore data, Page 2 is a printable summary of all data shown in 1.

Move between pages by clicking 1 or 2.

Make reports full page by clicking the expand icon at the bottom right of each report

Click column headings to sort data, scroll to explore.
