

WEEKLY ROUND-UP

BLYTHE BRIDGE HIGH SCHOOL & SIXTH FORM

APRIL 2024 - ISSUE 125

REWARDS TRIP

Our Year 8 students did us proud on the first day of rewards trips.

During the day, students showcased exemplary behaviour while enjoying a fun-filled day.

From watching a film to enjoying some pizza, ice skating, and bowling, they immersed themselves

in the different activities with enthusiasm. Their conduct throughout the day was outstanding, well done to all students for such a positive day.

HUG IN A BAG VISIT

11 Year 11 students who were instrumental in starting Hug in a Bag back in Year 7 made a very special visit to the hospital this week to deliver our latest donations. We visited the Children's Ward and neonatal intensive

care, taking 170 care packages and a cheque for £300 from our recent talent show.

Look out for a video about our delivery on social media soon! What an inspiring team of students we have.

WELCOME

It was a pleasure to join our Year 7 skills champions, Mr Boumford and Miss Fargher to judge the shortlisted finalists from the Year 8 Enterprise day on Thursday. All of the teams demonstrated the essential skills especially teamwork and communication.

The overall winner will be announced in a live stream to tutor groups on Monday and I know all of the students involved should be extremely proud of themselves. Many thanks to Mr Goodwin and the skills champions for organising such a brilliant event.

Mrs Johnson

#PRIDERESPECTKINDNESS

TALENT WINNERS

Congratulations to our talent show winners...

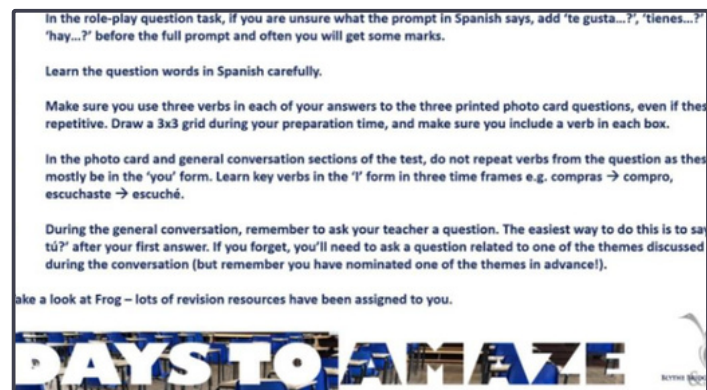

Staff and Charity Ambassador vote: Olivia-Grace I

Student vote: Phoebe W

Our talent show winners have been presented with their trophies - well done to Olivia and Phoebe, worthy winners! Well done again to everyone who took part

GCSE SPEAKING EXAMS

This week sees the start of our GCSE speaking exams for French and Spanish for our Year 11 students. Students have benefitted from additional sessions delivered by our MFL teachers. Thank you to all the staff involved and to the Year 11 for their engagement and mature approach and good luck to everyone!

ACHIEVEMENT WINNERS

Y9KKN are winners of our 'I's achieved' competition for three consecutive weeks. They celebrated with an easter egg each from Mr Knight.

Well done to you all for the pride that you have taken in your work and conduct last half term, and thank you to Mr Knight for their treats.

YEAR 8 FOOTBALL

Seven students from Year 8 took part in a 'Football vs Homophobia' event at Staffordshire University. Our students contributed throughout the day, winning both the poster competition and

football tournament, coming first overall. Well done to all involved, a great way to raise awareness of diversity and inclusion through sport.

SKILLS CHAMPIONS

Our Year 7 Skills Champions have been working hard preparing for the Year 8 Enterprise Day on Wednesday where they will be the panel of judges. Well done team!

PRK EGG HUNT

Students loved the Easter egg hunt organised by our PRK Podcast team.

Each member of staff was given an egg to hide. If students found an egg they were entered into a raffle for a prize.

We are very proud of our team and everything they have done leading up to our first episode.

Now let's get on with making episode 2 and more competitions.

DRAMA DEDICATION

Six drama students took time out of their Easter break to rehearse their exam performance pieces and develop their coursework.

A big thank you to Mrs Baines' dad John who has made this piece of set for one group meaning they can pass items through from the kitchen.

DETAILS ABOUT NEXT WEEK
