

WEEKLY ROUND-UP

BLYTHE BRIDGE HIGH SCHOOL & SIXTH FORM

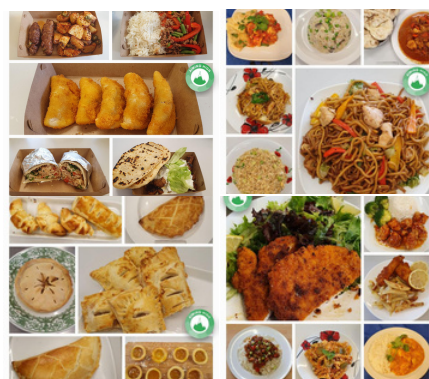

MAY 2024 - ISSUE 129

GOOD LUCK!

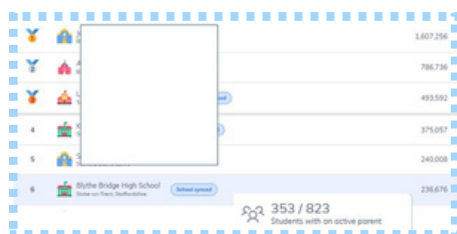

Wishing good luck to all our students whose exams get underway this week. Please remember there is a lot of support in school - just let your teachers know if there is anything you need.

GCSE MASTERCHEFS

Here are a few examples of sweet and savoury products that Year 10 and Year 11 students have made for their GCSE Food Preparation and Nutrition course.

SENECA SUCCESS

Well done to all the students engaged in independent study using online tools such

as Seneca. This week you have got our school to 6th in the regional leaderboard - wonder if we can make the top five by the end of the weekend? Last month, parents/carers for students in Year 9-13 should have received a link to register with Seneca and by yesterday 353 parents/carers had activated their link. By doing this it allows you to monitor the assignments completed and look at your child's engagement.

WELCOME

Our boys football team are competing this afternoon and I am looking forward to hearing all about the match when they return to school on Monday. Good luck boys.

Feedback from the pre-exam revision sessions has been really positive and these will continue for Year 11 next week. Year 11 also have a maths walking talking mock on Monday afternoon to prepare them for their first paper.

Our first set of Duke of Edinburgh expeditions for this year are planned for the week before half term and students should think about breaking in any new boots before they embark on their adventure. This weekend might be the perfect time.

Mrs Johnson

#PRIDERESPECTKINDNESS

LITERARY LOWDOWN

This week is the start of our brand new 'Literary Lowdown' which features books from our recommended reads. This week features Darci, who thinks you should take a look at 'The End of Everything' from our year 7 collection. If you would like to feature in the

next edition of the Literary Lowdown, please email your recommendation to Mrs Jones at H.jones@bb-hs.co.uk

NO MOW MAY

There is a good reason why the garden outside reception looks a little bit wild at the moment. Great idea from our student garden volunteers.

SCIENCE CHALLENGE

11x2 Science Challenge Week 4 results are in and the engagement gaps between the teams continues to close. Team Fargher achieved 422 additional independent study minutes this week

whilst Team Kane achieved 599. Both team captains are pleased with these impressive totals. First place goes to Team Johnson with 695 minutes but their overall lead is definitely narrowing.

11x2 you are all doing so well, we are really proud of you. Just two weeks left of the challenge.

UHNM VOLUNTEERS

Last week our UHNM volunteering visit was a busy one.

Talent show winners Olivia and Phoebe had the chance to share their performances, sixth form health and social care students delivered a quiz session and we enjoyed some games and chats with the patients. Great work, team!

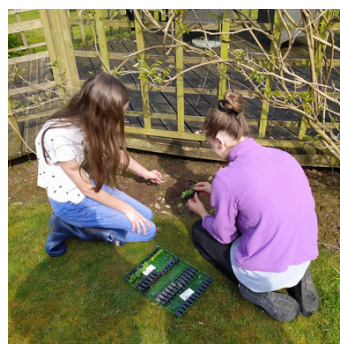

ESCAPE ROOM BACK OPEN

It has been great to have the 'Escape Room' back open and the team have been extra busy this week with more teams trying to escape.

If you think you have what it takes, contact Mr Goodwin to arrange a visit to the 'Phobia Escape Room'

GREEN FINGERS

A different venue for our gardening team this afternoon and what a pleasure it was to be invited for another year to help the residents with planting flowers.

Two of our sixth formers even helped others with their technology needs and show them how to use facetime and other social medias, so they could keep in touch with their families.

Well done team Blythe Bridge High School & Sixth Form! With Hilderstone Hall Care Home - Barchester Healthcare

UNIFORM POINTS

Don't forget our Pre-Loved Uniform Shop (PLUS) is running low on stock, especially the smaller sizes. We would greatly appreciate any

donations of uniforms and will reward students with achievement points for their kindness.

DETAILS ABOUT NEXT WEEK

SUMMER TERM

Citizenship P4

Year 7 - The impact of peer-on-peer violence

Year 8 - Group chats

Year 9 - Social anxiety

Year 10 - Coercive and controlling relationships

Year 11 - GCSE revision sessions

Year 12 will focus on apprenticeships and degree options in citizenship and assembly.

Year 13 will focus on A Level and BTEC examinations, results day and the process of clearing.

HOUSE UPDATES

Get ready to buzz with excitement! The spelling bee competition is just around the corner, scheduled for June!

EXAMS

Our students worked hard during their first week of exams and will continue to do so next week. We wish them the best of luck.

STUDENT LEADERSHIP

Year 7 & 8 PRK representatives

Friday 17th May 11.55 - 12.30 in Room 8.

Bring your lunch and your ideas for promoting kindness.

NEXT WEEK'S ASSEMBLIES

Year 7 's assembly will be on the theme of 'One Punch', and will further explore the consequences and actions that violence has on all involved.

Other assemblies will cover Mental Health Awareness Week.
