Remember, you can be given achievement points for attendance, good or outstanding behaviour in lessons or for displaying our core values of pride, respect and kindness.

## DRAMA EXCELLENCE

Well done to Lucie W, Zack D and Izabelle H who achieved special recognition from the judges for their performances at the JTMAT Subject Excellence Day for Drama.

Prizes were awarded to the overall winners in each year group and we are delighted that Lily A in Year 10 achieved first place for her age category.

## SCIENCE CHAMPS

A special treat of tea and homemade cakes was on offer to 11x2 science last term on completion of their team challenge. For the last five weeks students have been earning points for their respective teams for additional minutes spent engaging in independent study.

Team Johnson achieved the highest total and were delighted to receive their personalised mugs.

But the most important aim of the challenge wasn't coming top of this leaderboard, it was to encourage this remarkable group of young people to believe in themselves as much as their team captains believed in them.

So whether you were a member of Team Kane, Team Johnson or Team Fargher, a huge well done for all those hours of additional study. We can't wait to see the results of all of your efforts in the summer.

## PARENT KINDNESS

Such a thoughtful gesture from the parents of a Year 11 student. The cakes were amazing and really appreciated by staff.

## DOFE ADVENTURES

Year 9 and 10 had a fantastic time on their Duke of Edinburgh's Award expeditions in the week before half term.

They showed excellent resilience and teamwork throughout. The weather was kind too!

## BOOK WINNERS!

We were delighted to welcome Hayley from Bookbabies - In Partnership with Usborne as she delivered our prize for Mental Health Awareness Week.

Thank you so much for these lovely books, which can now be found in the PRK corner of our teenager toolkit in our school library. The students will love reading these! A huge thank you to Mrs Jones and everyone who voted for us
