

ATHLETICS CHAMPS

Yesterday, our Year 7 and Year 8 athletes competed at the Stoke City Schools Athletics Championships at Northwood Stadium. Some amazing individual performances have resulted in a number of athletes now being asked to represent Stoke at the county championships at Tamworth in a few weeks' time. An excellent afternoon where all students represented the school with pride. We could not be prouder of you all and thank you for performing so well.

KINDNESS COOKIES

The PRK committee worked super hard during this week to bake over a 100 cookies. We hope you enjoyed your cookie if you were lucky enough to receive one.

WELCOME

Summer appears to arrived which will be perfect timing for our hard working Year 11 and 13 students who have now finished their exams. Hopefully students will be able to take time to rest and enjoy their summers after a long period of study and revision.

Our annual Year 10 trip to Spain departs on Monday and we wish the staff and students ¡buen viaje!

#PRIDERESPECTKINDNESS

DRAMA EXCELLENCE

Mrs Johnson presented certificates to our Year 8 and Year 10 students who represented BBHS at the recent JTMAT Drama subject excellence day competition. Lily won the Year 9/10 section and all students were presented with certificates of participation.

LITERARY LOWDOWN

This issue of the Literary Lowdown is from Molly-Jean S who is recommending The War of the Worlds which features in our Year 8 recommended reads section. If you would like to try this book for yourself, pop down to the library for a copy of the book.

BOOK DONATION

A huge thank you to Will D who has kindly donated an amazing collection of books to our library. You can now enjoy the Wizard Of Once series,

Trials of Apollo, Percy Jackson and many more. If you have any books that need a new home that are suitable for our students, all donations are greatly appreciated and will be rewarded with achievement points.

YEAR 12 IN ACTION

Last Wednesday, a group of Year 12 students undertook a sponsored walk/litter pick around Longton Park as part of their social action project with NCS.

Thank you to everyone who has sponsored them - there is still time through ParentPay before we close it on Friday.

All money raised will go towards buying resources for the Luoska German Shepherd Dog Rescue centre in Cheadle.

YEAR 7 KINDNESS

We would like to say how proud we are of our Year 7 students who, at the weekend, hosted a charity fundraising event in Stallington Village all in aid of Stoke Homeless Outreach.

What is inspirational about this story is that the students did so by themselves.

Over the last few months, they have been meeting to practise dance routines in order to put on a show for their local community. Eleanor J taught 10 local children the routines ranging in age from 5 years old to 12 with the help of Josh T, Anya B and Leila K.

Not only did they perform but they also organised other fundraising activities like guess the number of beans in a jar, raffle tickets, played a lucky dip, bought cakes and sweets.

The students raised £145 for the charity and our school community wants to give you each a shout out, we are very proud of what you have achieved.

KINDNESS WEEK

The weather may not always be on our side when it comes to our alternative provision in our school garden, but it doesn't deter our students from being creative and

continue to share a bit of kindness within our school community.

Here are some of their thoughtful creations which they then gave to friends and teachers, ahead of our kindness week event.

END OF EXAMS

With just a few exams remaining for our Year 11 and 13 students, most of the desks have now been packed away for another year.

Many thanks to all the staff, parents for your support and to all our wonderful students, we could not be prouder of all your hard work!
