

WEEKLY ROUND-UP

BLYTHERIDGE HIGH SCHOOL & SIXTH FORM

SEPTEMBER 2024 - ISSUE 143

BUDDING GEOGRAPHERS

Year 10 and sixth form geographers and biologists had a fantastic day at the zoo last week. After a soggy start, students had a great time exploring the rainforest areas and studying the adaptation of animals to survive here. Miss Bloore's group got up close to a curious orangutan. Students were also lucky enough to spot both of the elusive jaguars and to see the tree kangaroos being fed!

CAKE CLUB

We are launching our Christmas Cake Club with Year 7 students after half term. Held across five consecutive Fridays after school, students will bake, marzipan and decorate their cakes ready to be taken home on Friday 13th December.

Places are limited and will cost £15 to cover the purchase of the ingredients and decorations. Students who are interested should complete the forms link which will be set as an assignment on FROG later this week.

WELCOME

Tickets go on sale on Monday for our Year 7 and 8 Halloween Disco, it has been a hugely popular event and so I encourage you to get your tickets early and support our fundraising.

Next week Year 8 - 11 will hear about Black History Month through the assembly programme. Each year there is a theme and this year it is about ensuring that voices are heard, experiences acknowledged, and contributions recognised.

Year 7 will find out which House they will belong to and I am delivering my final assembly on the 60th anniversary celebrations to Year 12 and 13.

What superb pizza chefs 8XD were this week. So many staff and students commented on the amazing aroma coming from the food room and it was lovely to have a visit from Mr Jackson with some Year 6 students and their families.

Special well done to James who was award Mrs N Johnson's Star Baker apron.

CROSS COUNTRY CHAMPS

Our girls' Cross Country Team were out in force this week. Our thanks to Tilly for a super team warm up. We came away from our first race of the season as overall Year 7 winners! There were some fantastic individual performances, with several athletes finishing inside the top 15 places.

Congratulations go to Annabel and Holly on their two silver medals

AN INSPECTOR CALLS

This week, we took a number of Year 11 students to the Regent Theatre to see 'An Inspector Calls'. Our students' behaviour was exemplary, and the afternoon helped

students to revise one of the GCSE texts they studied in Year 10.

YEAR 9 HISTORIANS

Year 9 historians have made an excellent start to their learning this year! They have enjoyed analysing the causes of World War One, researching trench conditions and learning how soldiers were

recruited to join up at home, and from across the British Empire. Part of their latest homework task was to create their own recruitment poster and the department have been particularly impressed with students' efforts. A special mention to Lilly, Frankie, Charlotte and Bella who produced the ones above.

COFFEE MORNING

Last Friday our staff took part in the MacMillan Cancer Support Coffee Morning. Staff were invited to bake a cake to enter the house bake off or buy something for us to sell.

Some of our prefects assisted with the event and they did such an incredible job selling the cakes that we have reached a current grand total of £185. This is absolutely incredible, thank you to everyone involved. We are delighted to say Mrs N Johnson took first place for pegasus house, with a trio of delicious cakes. Mrs H Willott took second place for sphinx, leaving centaur in 3rd and serpent in 4th.
