WELCOME

My thanks go to Mr Goodwin, Miss Housley and Mrs Baines for all their hard work in putting together such a wonderful Careers Fair. Visitors are always impressed with how much our students interact with their displays and ask relevant questions about their company or university/college. Our student careers champions did a great job supporting at the event and I know they helped keep the refreshments and car parking running smoothly

CAREERS FAIR

A big thank you to all of the representatives who attended our annual careers fair today, plus those who gave informative talks. It was wonderful to see Year 11, 12 and 13 students engage with the colleges, universities and companies. The young skills leaders did a fantastic job looking after our visitors and displayed the essential skills they represent.

COUNCIL VIDEO FEATURE

Back in November, we invited Freya from Staffordshire County Council into school to collect some footage to go into a new video about the new SEND strategy across Staffordshire. Footage of our school features alongside several other schools in the county, with Toby B in Year 10 providing a fantastic voiceover. We hope you enjoy the video.

AFRICAN ADVENTURES

We are entering our third year partnering African Adventures and Port Vale to give our students the opportunity to visit Kenya on a volunteering trip and our 2027 group had their fundraiser at Port Vale this week. It was race night and families and friends turned out to show their full support. The students did an amazing job and showed the confidence and skills they will take to Kenya working with schools and communities. All our students going to Kenya in 2026 and 2027 are looking forward to being back at Port Vale in March as part of the Kenya takeover.

READING: THE SILO TRILOGY BY HUGH HOWEY - MISS BALEWSKI

"We do not know why we are here. We do not know who built the Silo. We do not know why everything outside the Silo is as it is. We do not know when it will be safe to go outside. We only know that day is not this day."

A dystopian story based in a silo underground because outside is too toxic to live. Juliette, a mechanic, uncovers some disturbing information that it might be a fabricated reality that they are living in...and anyone who questions the rules (known as 'The Pact') is sent out to clean... Juliette is sent out to clean because she is getting close to finding out the truth and she is the only one who has ever survived going outside. I have, so far, read book 1 in the trilogy and am about to start book 2. I'm looking forward to seeing how the story progresses!

BLYTHE BRIDGE SIXTH FORM

BY YEAR 12 ELLIE

I study psychology, sociology & health and social care. I chose to stay at Blythe for sixth form because I feel more comfortable in a familiar environment and the school supported my chosen subjects. I am constantly pushed and supported to further my education as well as my real-life experience, and much more.

My favourite part of sixth form, so far, has been the ability to study and catch up on homework, in my private study periods, allowing for a better work-home life balance and less stress regarding revision and other studies.

I am involved in the EPQ extracurricular project which is very enriching and informative.

READING SUPERSTARS

Congratulations to our top 10 readers across the whole school for the autumn term! We are so proud of the dedication, enthusiasm, and love of reading you have shown. Your commitment to picking up a book, challenging yourselves and exploring new stories is fantastic to see. Keep turning those pages - you are setting a brilliant example for the whole school!

SIXTH FORM ANNIE QUIZ

How well do you know Annie?! Here is a little quiz created by our sixth formers so you know what to expect in our upcoming school play. Our students have been working so hard to make it a show you do not want to miss!

YEAR 11 TOUR VIDEO

Friday lunchtime - 'Miss, can we make a short video tour of our school? It would help new students and we want to try to make social media a positive place.' By Saturday afternoon, this amazing group of Year 11 were working on their first video. Recorded and edited completely by the students - who would like to thank the staff volunteers they encountered while recording their tour! We think they did a great job, despite the rain. We look forward to the team's next idea.

Year 9 recently took part in the Oli Leigh Trust Mental Health Challenge with the Inspirational Learning Group, where they learned about mental health awareness and worked hard to develop their own innovative services to support wellbeing. Through the challenge, they strengthened essential skills including teamwork, leadership, and communication.

A huge congratulations to "Minds Unwind", whose idea offered a fresh, practical way to help young people use the power of words through journaling. Their approach encourages students to manage emotions day-to-day, while also recognising when it is important to seek support. A simple, tangible tool like this can be genuinely powerful - and the team presented it brilliantly.

Congratulations to the "Minds Unwind" Team: Amelia C, Holly H, Elizabeth L, Arthur O, Hattie S and Megan W.

A big well done to Bradley R and Michael O, who showcased impressive presentation skills and stepped in last minute to support the winning group's presentation.

Thank you to all of Year 9 for your mature approach and hard work throughout the morning's activities.

CAREERS SPOTLIGHT - BENCHMARK 7

This week, we were pleased to welcome Reaseheath College and Stoke on Trent College, who delivered informative and engaging assemblies to our students, exploring the wide range of options available to them beyond school.

The sessions gave students valuable insight into further education pathways, courses and career opportunities, helping them to start thinking about their next steps and future ambitions.

We are very grateful to both colleges for taking the time to visit, share their expertise and support our students in making informed choices about their futures.

Drama Reading

Fancy reading a playscript instead of a novel?

Every half term, the drama department will recommend three playscripts that you can borrow to read.

This half term's recommendations are:

Oh What A Lovely War is a satirical take on WW1, full of song and dance that juxtapose greatly with those moments of shock and anger..

Bouncers and Shakers is a double bill of loud, proud, physical plays that show life in a Northern town as a variety of characters get ready for a big night out.

The Real Inspector Hound follows two theatre critics watching a ludicrous whodunnit who then become involved in the action.

You are very welcome to borrow these or other plays through Mrs Baines.

Did you know you can raise free donations for Blythe Bridge High School & Sixth Form every time you shop online? With over 7,500 retailers including Tesco, Amazon, John Lewis and more, a percentage of what you spend is donated to our school at no extra cost to you. 6 Reasons to Put Your Phone Away

by @Inner_Drive
www.innerdrive.co.uk

Lowens Concentration

Having your phone out while doing homework or revision has been shown to reduce performance by 20%.

Increases FOMO

Fear of Missing Out (FOMO), or the compulsive need to know what others are doing leads to worse moods and increased anxiety.

Increases Stress and Anxiety

Over use of mobile phones leads to increased anxiety, feelings of loneliness and low self-esteem. Reliance on mobile phones can cause irritation, frustration and impatience.

Warpes Your View of Reality

Nobody is as happy as they seem on Facebook or as wise as they appear on Twitter.

Reduces Memory

Instant messages are distracting, which often leads to forgetfulness

Makes You Sleep Worse

Prolonged use of a mobile phone leads to poor sleep quality and duration. The backlight on your phone delays the release of Melatonin, which is a hormone important for sleep.
