YEAR 6 DIAMOND DAY

On Tuesday, a group of our Year 7 & 8 student leaders hosted an exceptional group of Year 6 students who will be joining our school in September. The event was an exciting opportunity for the teams of students to compete in a variety of different challenges throughout the day. We would like to thank everyone who took part for their outstanding attitude and thank the many parents and carers who joined us for our celebration event at the end of the day. It truly was a Diamond Day !

YEAR 4 OLYMPIC DAY

On Wednesday, we welcomed primary school children for our Year 4 Olympic Legacy Day - a fantastic day packed with energy, fun, and teamwork! From boxercise and trampolining in the gym, to athletics and problem solving on the top field, dance in the studio, and fitness on the MUGA - it was non-stop activity in the sunshine. A huge thank you to our amazing student leaders who supported each area so brilliantly. The children had a fantastic time exploring a variety of sports and challenges. Well done, everyone!

MUSICAL MYSTERY

Throughout the week, across social media and school, people have been trying to decipher the #MusicalMystery clues to uncover next year's musical. All was revealed today when we discovered our next school production will be....Shrek Jr! How fantastic!

HUG IN A BAG

Thirteen representatives from Year 7 visited the Royal Stoke Hospital this morning to deliver our Hug in a Bag care packages. The students were exemplary and demonstrated outstanding maturity, warmth and compassion. We spoke to staff in Children's Care, Elderly Care and Neonatal Intensive Care about the impact of our kindness. A highlight of the visit was taking the opportunity to visit patients in Elderly Care and hand out our 'Hugs' ourselves. Some beautiful memories have been made, and the children definitely enjoyed their well deserved McDonalds lunch on the return to school.

The visit was filmed by media company PREM; a special shout-out to Cara P who spoke with eloquence and passion in her interview. Our special thanks must go to the incredible Mrs Pheasey who is at the heart of this inspirational project.

'What a privilege it has been to work with such a wonderful year group. Thank you to each and every student who donated, helped to package the items, and attended the visit. Keep shining ' Well said Mrs Pheasey!

ART IN MOTION

Highlights from another wonderful showcase of dance from Miss Housley and the students from across the year groups. Some beautiful choreography and funky Latin beats meant it was an evening for everyone, with hilarious hosts, Casey and Fred.

EXCELLENT ETHAN

Congratulations to Ethan who represented the City on Saturday in both the 300m and the Long Jump. He gained a silver medal in both events and will now move forward to represent the county in the upcoming inter-counties competition.

SPORTS SUCCESS

Last week, several of our football teams competed in the City Finals at City of Stoke Football Club, producing some fantastic performances against strong opposition from Excel Academy. Our U14 Girls narrowly lost 3-2 after a spirited comeback from 2-0 down, with Katie R scoring twice. The Year 7 Boys were crowned City Champions with an impressive 3-1 victory, thanks to goals from Tommy T (2) and Felix F. The Year 8 Boys showed great determination in a 4-2 defeat to the County Champions, with Flynn E and George R finding the net, while the Year 10 Boys fought back brilliantly before eventually losing 6-4, with goals from Seth G (2), Oliver F and Oliver H. Reaching the City Finals is a fantastic achievement, and all of the players should be incredibly proud of their efforts and commitment throughout the season. Well done to everyone involved!

YEAR 5 ROMAN EXTRAVAGANZA

Today, we welcomed a selection of Year 5 students from our partnership schools to take part in a Roman Extravaganza. Students learnt about Roman Britain, life as a Roman soldier and created some wonderful Roman shields. They finished the day by marching into the celebration assembly in perfect rhythm and showcased some excellent Roman shield formations. Well done Year 5 and thank you to the parents and carers who joined us for the celebration assembly.

READING ADVOCATE: ALFIE & MICHAEL

Reading: Harry Potter & the Goblet of Fire by J.K. Rowling

Reading 'Harry Potter and the Goblet of Fire' was really exciting because it feels darker and more intense than the earlier books. We both liked how J. K. Rowling uses her imagination to create such a detailed magical world, especially with the Triwizard Tournament and all the different challenges. Even though we've read all of the Harry Potter series books, this one still stood out because there was so much suspense and action, and it kept us wanting to read more. Alfie's favourite characters are Fred and George Weasley because they are funny, mischievous, and always bring humour to serious moments. Overall, we really enjoyed this book because it had a great mix of adventure, friendship, and emotion, and it showed why the Harry Potter series is so memorable.

Drama Reading

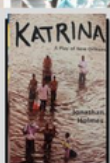

Fancy reading a playscript instead of a novel?

Every half term, the drama department will recommend three playscripts that you can borrow to read.

This half term's recommendations are:

Lady Windermere's Fan is a classic Oscar Wilde play that delves into society, shame and appearance!

Katrina is set in America after Hurricane Katrina which wiped out huge chunks of New Orleans in 2005.

Sparkleshark follows Jake who writes magical and fantastic stories in his secret book to hide from bullies.

You are very welcome to borrow these or other plays through Mrs Baines.

6 Reasons to Put Your Phone Away

by @Inner_Drive
www.innerdrive.co.uk

Lowens Concentration

Having your phone out while doing homework or revision has been shown to reduce performance by 20%.

Increases FOMO

Fear of Missing Out (FOMO), or the compulsive need to know what others are doing leads to worse moods and increased anxiety.

Increases Stress and Anxiety

Over use of mobile phones leads to increased anxiety, feelings of loneliness and low self-esteem. Reliance on mobile phones can cause irritation, frustration and impatience.

Worps Your View of Reality

Nobody is as happy as they seem on Facebook or as wise as they appear on Twitter.

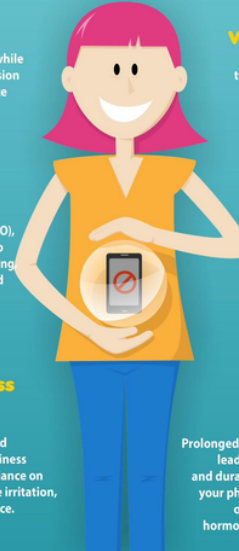

Reduces Memory

Instant messages are distracting, which often leads to forgetfulness

Makes You Sleep Worse

Prolonged use of a mobile phone leads to poor sleep quality and duration. The backlight on your phone delays the release of Melatonin, which is a hormone important for sleep.
